PROUDLY PRESENTS THE URBANIA.

Inspired by the latest trends, the Urbania revolutionizes the portable spas category with its ultra modern design.

You will appreciate its high-end accessories such as the illuminated cascading waterfall, LED lighting, an additional set of LED mini lights and stainless steel finish jets. The Urbania offers 6 ergonomical stations, including 2 captain seats and a lounge. Choose your seat according to the type of massage you are looking for through different seating depths and jets configuration.

The Urbania is a 4 seasons spas. This product is designed by a Canadian manufacturer with many years of expertise in the portable spa category. The Urbania has been rigorously tested under various hivernal conditions so you can enjoy your hydrotherapy all year long.

READY TO USE, JUST 3 EASY STEPS !

- 1 Put in place
- 2 Fill with water
- 3 Plug in (110V)

URBANIA... FOR TIME WELL SPENT!

110V CONNECTION AND INNOVAFLOW... SENSIBLE CHOICES.

The Urbania spa is equipped with the **InnovaFlow** Eco-Energy Saver system, which means your heater will be much less solicited and will allow you to save money on electricity consumption.

And saving money is always good!

TO LAST A LIFETIME...

- Polyethylene construction
- Strong one piece construction & virtually indestructible
- Easy surface care vs acrylic

PORTABILITY

- Easily re-located
- Easy lift hand recesses
- Fits through most doorways
- Fits standard pickup truck bed

NO HASSLE INSTALLATION

- No site preparation required
- Will sit on any solid level surface
- No concrete or wood deck required
- 110 volt plug and play
- 220 volt compatible for greater heating efficiency (1kW vs 4kW)
